

2011 Chris Lopez Classic

Chris Lopez was 17 years old and a 3-time Varsity runner for Yreka High School. He collapsed after completing a Cross Country race in West Valley on September 23, 2009 and passed away three days later because an unknown virus weakened his heart causing a cardiac arrest. He was an amazing young man and an equally talented athlete whose life was tragically cut short. This race was started to remember him and to support scholarships in his name by enjoying the same trails that he trained and competed on.

Message from the Meet Director

Welcome to the 1st annual Chris Lopez Classic. A summertime race set in shady Greenhorn Park to benefit the Chris Lopez Scholarship Fund.

There are three different races, a 1-mile walk/run around beautiful Greenhorn Lake, a 5K trail walk/run, and a challenging 10K trail run.

Come join us for a break from all those hot paved road races. With plenty of food, cold water and great single-track trails, there is something for everyone.
